**RESPONSE AFTER FINAL REJECTION**  
**UNDER 37 CFR 1.116**

In response to the final rejection contained in the Office Communication mailed 01/11/2006, Applicants respectfully submit the following amendments and remarks in connection with the above-identified application. Entry of this amendment is respectfully requested in order to place the application in condition for allowance, or alternatively, to present the claims in better condition for consideration upon appeal.

This paper is in further response to the Advisory Action mailed 03/17/2006 wherein an earlier-filed Response After Final Rejection was refused entry because it required a new search. Entry of this amendment is respectfully requested in lieu of the earlier-filed Response After Final Rejection. It is believed that no additional search is necessitated by this amendment since the limitations presented were all present in previously-considered claims.
